

PLAN DE MASSE 1 / 200

This architectural site plan illustrates a building footprint and surrounding landscape features. The plan includes several sections labeled A through D:

- Section A (Top Right):** Shows a longitudinal section from the existing wall (Muret existant) to the new wall (Muret à créer). It includes labels for 'AEP' (Axe d'émissaire principal), 'EDF-RTT', and 'TN 31.96'. The section shows a height of 30.33 m.
- Section B (Left):** Shows a transverse section from the 'ACCES' area to the 'Aire gravillonnée' (Gravel area). It includes labels for 'PHOTO B', 'Coupé transversale', and 'Coupé longitudinale'. The section shows a height of 3.13 m.
- Section C (Bottom Left):** Shows a transverse section from the 'Closure en grillage rigide H=1m50 + haie vive à créer' to the 'Aire engazonnée' (Grassed area). It includes labels for 'PHOTO C', 'Coupé transversale', and 'Coupé longitudinale'. The section shows a height of 36.13 m.
- Section D (Bottom Center):** Shows a transverse section from the 'Muret existant' to the 'Aire engazonnée'. It includes labels for 'PHOTO D', 'Coupé transversale', and 'Coupé longitudinale'. The section shows a height of 19.58 m.

The building footprint is detailed with the following features:

- Front Elevation:** Includes a 'Toiture zinc 5°' (Zinc roof 5°) with a height of 1006 mm, 'Ardèches 40°' (Ardèches 40°) with a height of 353 mm, and a 'Terrasse bois' (Wood terrace) with a height of 902 mm.
- Side Elevation:** Includes a 'Toit terrasse végétalisée' (Vegetated terrace roof) with a height of 148 mm, 'Ardèches 40°' with a height of 353 mm, and a 'Terrasse bois' with a height of 902 mm.
- Ground Features:** Includes a 'Bac de décantation' (Decanting tank), 'Grille récup EP', 'Puits d'infiltration 6m3 Conformément à l'étude hydraulique', and '3 panneaux solaires 135x270 cm'.
- Access:** An 'ACCES' area is shown with a height of 639 mm and a '2 places de stationnement' (2 parking spaces).
- Surroundings:** The plan shows an 'Aire engazonnée' (Grassed area) and an 'Aire gravillonnée' (Gravel area) with a height of 3.13 m. Existing walls ('Muret existant') are indicated along the perimeter.
- Labels:** Various labels are present throughout the plan, such as 'TN 33.54', 'TN 33.55', 'TN 33.56', 'TN 34.14', 'TN 34.45', 'TN 34.11', 'TN 33.61', 'TN 33.49', 'TN 33.87', and 'TN 32.06'.
